

# Parcell Retires From Safeway After 35 Years

Wave 30 Aug 1984

Harris Parcell

After more than 35 years of service to Safeway and as a retail merchant in the town of Heber City, to the people of Heber Valley and to the thousands upon thousands who have stopped in on their way through, Harris Parcell has officially retired as manager of the Heber Valley Safeway Store.

Many people will miss "Happy Harris," including those he currently worked with and those he has helped train and promote to being successful leaders and managers. Also many customers who enjoyed Harris will miss his cheerful, efficient help he always offered. His career in the grocery business began with two years as a meat cutter (1946-48) with the Heber Exchange Com-

pany prior to joining Safeway in Heber City in August of 1949 as a food clerk earning \$43.00 a (six plus day) week.

Harris' Safeway career has been spent entirely in Heber City where he first became Store Manager in January 1954. He subsequently managed the next two stores in Heber, each replacing the other including one that burned down during a cold

Harris worked on assignment with the store stocking crew traveling to various Safeway locations, for just over four months.

Raised and educated in the Heber area, Harris has also been an active citizen in the community by participation in 12 years as a volunteer fireman, member of the School Board, active in the LDS church, and helping his wife Phyllis raise a family of five children. He has indeed been involved and busy.

We wish Harris a well earned and enjoyable retirement. Enjoy Harris, you will be missed by many people in our community.

**"In 1973 I had my car 'Minged'.  
I liked the brilliant shine and  
protection so much, I bought the  
Company."**

**Guy Scribner**

"Nothing works like Ming. Whether your car is new or old, the Ming finish will shine and protect your paint to make it look like new, and stay looking new for years without waxing."

"Here's an offer you can't refuse. For a limited time, if you have your car "Minged" (for the low price of \$119), I will also completely detail your car for ONLY \$50. The complete detail includes: 1. Interior shampoo, seats, carpets and doors; 2. Engine cleaning and painting with a clear lacquer motor paint; 3. Trunk and spare tire cleaning; 4. Cleaning and dressing of the tires; 5. Chrome cleaning."

"The regular price of a Ming Finish and complete detail would be \$249, but now for a limited time I will perform all these services for only \$169, that's an \$80 savings. Call today for an appointment. (487-8758)".

# WARNING!

This Sears TOUCH-N-GO® 10-Speed  
Blender in White May be Unsafe...

Only Model 663.82235 in white, sold since last December, 1969, is affected. Check Model Number imprinted on label under blender.

In order to prevent injury to any user we are requesting the return of all blenders with this model number.

This blender was sold primarily through the Sears 1970 Spring-Summer catalog. It also was sold through some Sears retail stores. THERE IS NO PROBLEM WITH ANY OTHER COLOR OR MODEL SEARS BLENDER.

We are not certain that any of those sold are unsafe. But an inspection of factory inventory found a small number of these blenders was improperly assembled, creating a potentially dangerous shock hazard under certain conditions.

If you have this model blender, please return it immediately to the nearest Sears store or catalog facility for exchange or refund.
